Kani Tamil Peravai
Organized by
Department of Physical Sciences and IT,
Agricultural Engineering College and Research Institute, TNAU and
Tamil Virtual Academy, Chennai

The Department of Physical Sciences and IT, Agricultural Engineering College and Research Institute, TNAU, and Tamil Virtual Academy, Chennai, jointly organized a one-day training program on the introduction to Internet Tamil resources. The program covered topics such as lead contributors to Tamil computing, Tamil software development, Tamil internet development, and the installation of open-source software in Tamil. The event took place on 05.08.2023 at the Department of Physical Sciences and IT.

Dr. Durai Manikandan, Internet Tamil Researcher, Department of Tamil, Government Arts and Science College, Trichy served as the resource person for the event. Dr. Balaji Kannan, P&H, Dept. of PS&IT, delivered the welcome address, which was followed by sessions conducted by the chief guest, Dr. Durai Manikandan.

A quiz competition was held at the end of the session, and the top three students were awarded prize-winning certificates. Dr. C.S. Sumathi, Professor of Computer Science, concluded the event with a vote of thanks.
