ABOUT US

Tamil Nadu Agricultural University (TNAU) was established in 1971, fulfilling the responsibilities of Teaching, Research, and Extension activities for the benefit of the agricultural society. TNAU has 18 constituent and 28 affiliated colleges spreading all over Tamil Nadu. Agricultural Engineering College and Research Institute is one of the constituent colleges of TNAU, offering four degree programmes viz., B.Tech. (Energy and Environmental Engineering), B.Tech. (Agricultural Engineering), B.Tech. (Food Technology), and B.Tech. (Agricultural Information Technology) in Coimbatore. The College also offers Masters and Doctoral programmes in Farm Machinery & Power Engineering, Soil and Water Conservation Engineering, Food Process Engineering, and Renewable Energy Engineering.

ABOUT ECOFEST

Ecofest is an International Conference involving the students of B.Tech. (Energy and Environmental Engineering). This is an event conducted every year since 2006. It attracts participants from various disciplines across the globe, providing a stage to enrich their knowledge, skills, and innovative ideas along with the brainstorming spectra of their talents towards addressing the current energy and environment issues. This event provides a platform to exhibit and establish the organizational skills of the Green Engineers. The proposed International Conference will give a platform for more interaction among students, faculty, and experts from the energy and environmental sector.
