dt. 29.04.2019.

\*\_\*\_\*\_\*\_\*\_\*

Vice-Chancellor reviewed the activities of ARS, Vaigai Dam on 04.11.2019 and offered the following suggestions for further follow up:

1. The area brought back for cultivation after cleaning the thorny bushes in the Blocks B & C of Farm II may be planted with Bamboo by following the spacing of 12' X 8'.
2. The Director , Water Technology Centre, TNAU, Coimbatore may be contacted to spare the irrigation pipes available at WTC for laying of new irrigation facilities for the above said planting.
3. Technical guidance regarding planting of Bamboo may be availed from Growmore Biotech Pvt, Ltd, Hosur, Krishnagiri District.

Action taken may be reported regularly.

(By Order of the Vice-Chancellor)

  
Registrar  
12/11/19
