Sir/Madam,

Sub: TNAU - Centre for Plant Breeding and Genetics – Dept. of PGR – Ramiah Gene Bank –
Extension of seed storage facility to Government Institutes – Communicated – Regarding

It is informed that the Department of Plant Genetic Resources under the Directorate of Centre for Plant Breeding and Genetics, TNAU is maintaining cold storage unit (5°C) for medium term storage of seeds and now it has been decided to extend the cold storage facility to other Government Institutes of our country for storing the seeds by collecting nominal fee.

In this regard, I wish to inform that the interested Institutes / Scientists can contact the Department of Plant Genetic Resources, TNAU, Coimbatore (Email: pgr@tnau.ac.in) for further details in this regard.
