

TAMIL NADU AGRICULTURAL UNIVERSITY
INFORMATION ON SPOT ADMISSION.

In Tamil Nadu Agricultural University undergraduate education programmes have been started from 15.02.2021. Admission process for Government Colleges has been closed. For the vacant seats in affiliated colleges Spot Admission is programmed on 1st and 3rd March 2021 as per the guideline given by the Hon'ble Justice Prabha Sridhevan Committee. The guidelines are as follows.

- Spot admission is applicable only for affiliated colleges
- Admission coordinators of affiliated colleges will be present at the counseling venue.
- For spot admission counseling fee will be collected only from the candidates who avail seat.
- The counseling fee is Rs.3000/- (for SC, SCA and ST candidates Rs. 1500/-)
- The vacancy position, college wise and community wise will be published in the TNAU website and also given as press release for larger reach.
- Candidates will be called in the ratio of 1: 10 or more depending on the situation.
- Calling for Spot Admission does not necessarily **GUARANTEE** a seat.

- Applied candidates who have been already called and not attended the counseling or those have been called afresh can also attend the counseling.
- On the date of Spot Admission attendance will be marked and ranking of attended candidates will be done.
- Candidates will be called based on their rank for choosing the college and degree.
- Selected candidates have to join in the college immediately by submitting the educational certificates and by paying an admission fee of Rs. 20,000 which will be facilitated in the university campus itself.
- No candidate will be admitted after the announcement of “Completion of Admission” for the academic year.
