No. CPBG/CEMB/VCS/Training/2022 dated: 07.07.2022

Sir / Madam,

Sub: TNAU – CPBG – “Hands-on training on Marker Assisted Breeding” –
Centre of Excellence on Molecular Breeding-regarding.

*

I wish to inform that the **Centre of Excellence in Molecular Breeding (CEMB)** is functioning at the Directorate of CPBG, TNAU, Coimbatore, with state-of-art laboratory facilities for conducting molecular breeding research. This centre organizes the following training programme every month.

Title: "Hands-on Training for Marker Assisted Breeding"

- Duration: Five days (Monday-Friday)
- Date: Second week of the month.
- Number of trainees: 10 per batch
- Eligibility: Scientists and PG/PhD students of TNAU as well as other institutes
- Local transport, Accommodation and Food: By the Trainees.
- Fees: Rs 10000/- per person (for staff and students of TNAU); Rs. 11800/- (including 18% GST) per person (for staff and students of other institutes).
- Last date for application: 1st day of the month of training
- Mode of application: Willingness / Nominations should reach this office through email (Email: cemb@tnau.ac.in).
- Intimation of selection: Intimation through email on or before two working days of training.
- Contact person: Dr. N. Manivannan, Professor (PBG), CEMB (Mobile: 9894795694; Email: cemb@tnau.ac.in)

Hence, I request that this information may kindly be circulated to all staff and students of your campus. All the Dean/Director/Heads of Offices are requested to send the nominations.

R. RAVIKESAVAN
